

Create & Cook Goes Around the World

Sponsored by St. James UMC Activities Ministries

The goal of *Create & Cook Goes Around the World* is to use cooking and artistic endeavors as vehicles to promote understanding and tolerance of those cultures studied. Each week we will travel to a different country, create an art project and a cooking endeavor indigenous to that culture. Cooking classes will build on what is learned in art classes and art classes will build on what is taught in cooking classes. If your child hasn't taken a Create & Cook class in the past, come join the fun! As there are three sessions, please note which session(s) in which you are interested.
